Custom Made Items

We specialise in custom produced items where quantity or price warrants. Our moulding department is ready to discuss your project. We are suppliers to major projects - commercial, residential and industrial.

CAD with Old World Concretes

Most of the products listed in the "Architectural Precast Concrete" section of this catalog are available in AutoCAD format. A disk containing these drawings is available upon request and our representative will be happy to deliver and introduce them. The drawings can also be sent by email, or visit www.oldworld.co.za to request.

The "Old World" Heritage

Our Company was founded in 1919 by William Stephen Winter. Today the Company is in its fourth generation of family ownership under the directorship of Martin Winter CA(SA), Jeremy Winter Msc (Building), and Wikus Weber Ndip Personnel Management, Ndip Pol Admin.
